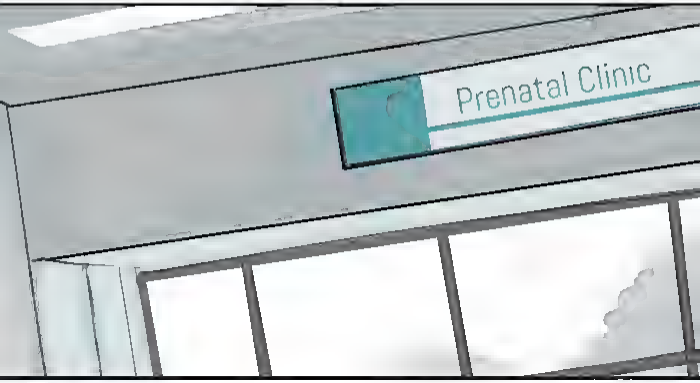
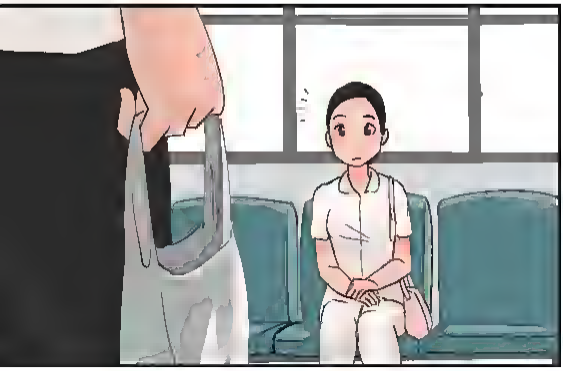
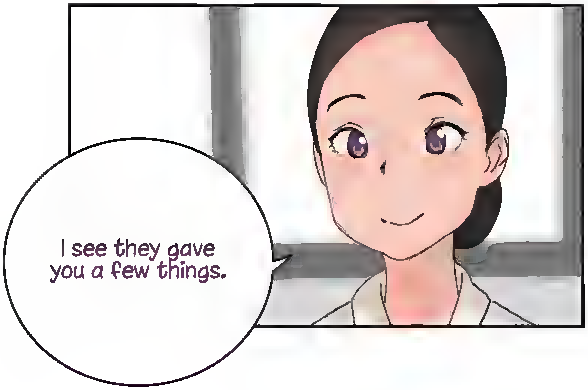
Chapter 15 : Advisor



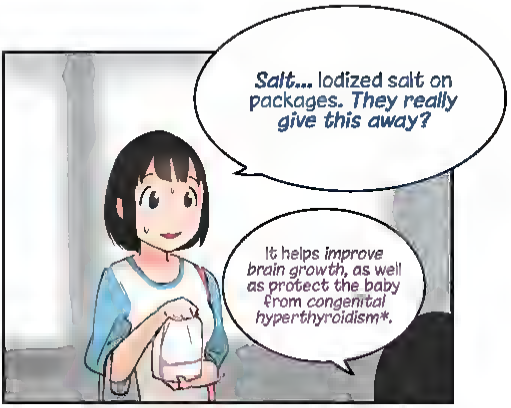
Prenatal Clinic





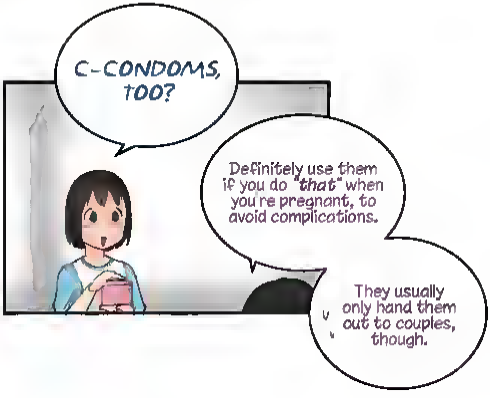
I see they gave you a few things.

They said it was supplements. I need iron, I guess, and a lot of it.
Am I that unhealthy?
Nah, that's pretty common. You'd be getting all of it at the store anyway.

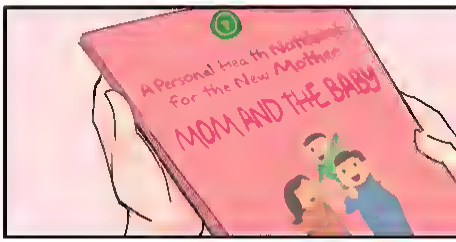


Salt... Iodized salt on packages. They really give this away?
It helps improve brain growth, as well as protect the baby from congenital hyperthyroidism*.

TL/N: Congenital hypothyroidism is inadequate thyroid hormone production in newborn infants. It can occur because of an anatomic defect in the gland, an inborn error of thyroid metabolism, or iodine deficiency.



C-CONDOMS, TOO?
Definitely use them if you do "that" when you're pregnant, to avoid complications.
They usually only hand them out to couples, though.



Your next appointment isn't for another month, right?

Yes.

Make sure to bring that notebook with you, to every appointment.

Sure.

.....

Fah, you don't look like the kind of girl who would get pregnant this early.

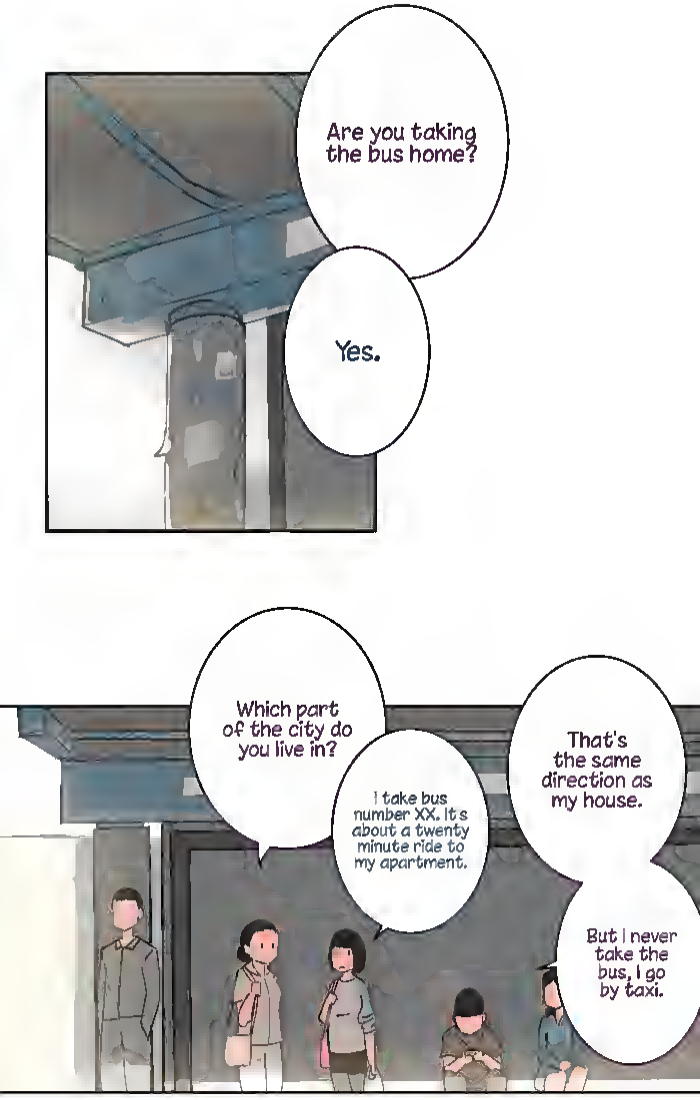
Yeah?

During your session, I listened in on a few things.

ARE YOU ALONE NOW?

.....
Why are you here by yourself?
.....

...She's
not listening,
is she?

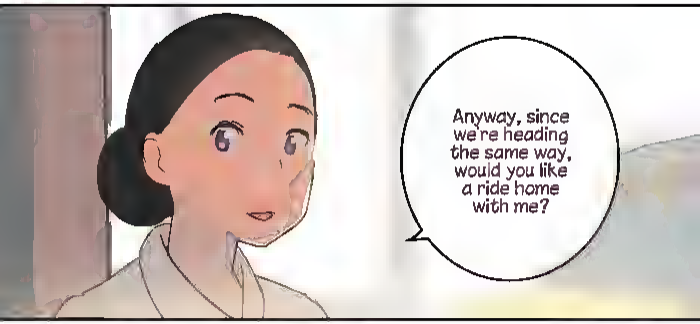


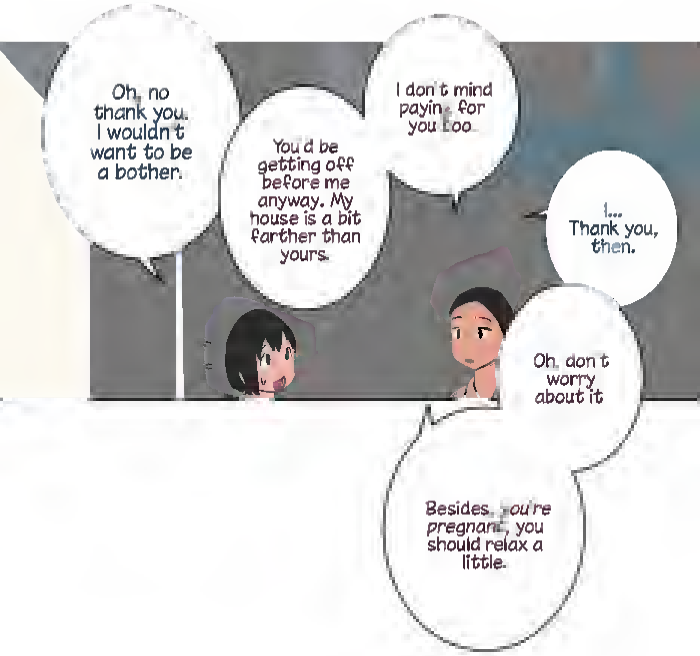
Are you taking the bus home?
Yes.
Which part of the city do you live in?
I take bus number XX. It's about a twenty minute ride to my apartment.
That's the same direction as my house.
But I never take the bus, I go by taxi.

Fah, you do know they have prenatal care clinics closer to where you live?

I knew, but I wanted to come here.

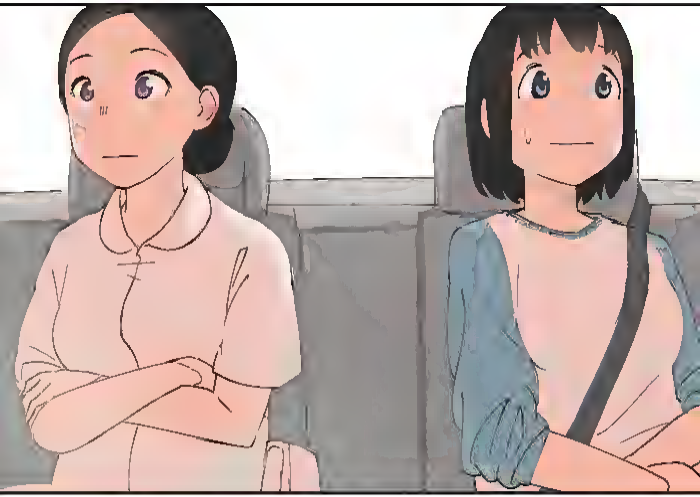
Sure...

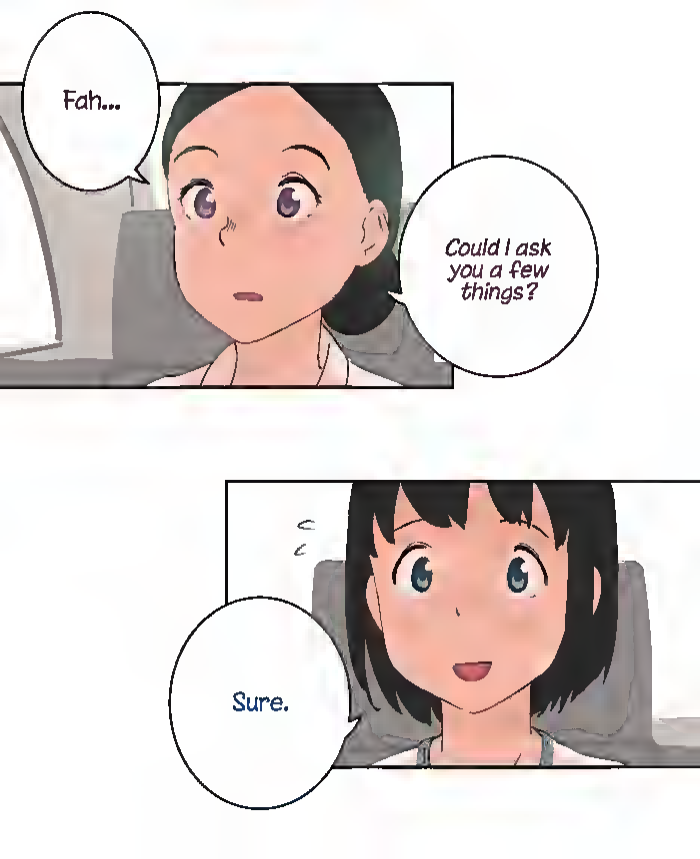




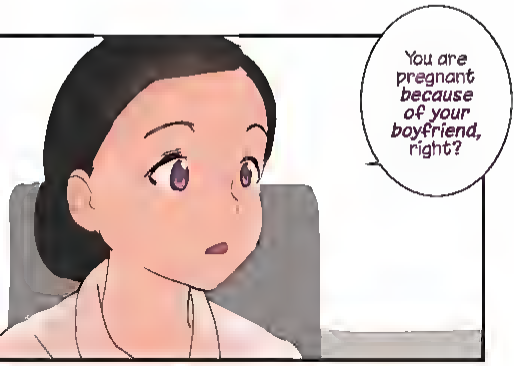
Oh, no thank you. I wouldn't want to be a bother.
You'd be getting off before me anyway. My house is a bit farther than yours.
I don't mind payin' for you too.
I... Thank you, then.
Oh, don't worry about it
Besides, you're pregnant, you should relax a little.

TAXI-

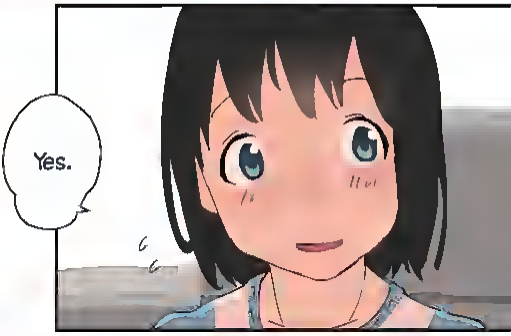




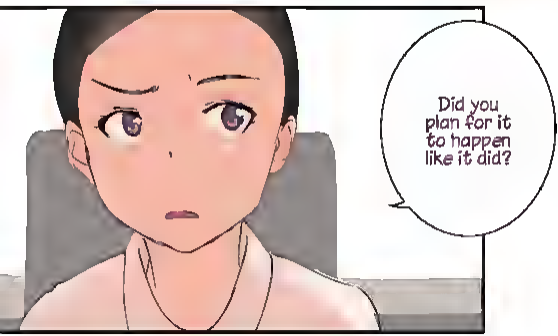
Fah...
Could I ask you a few things?
Sure.



You are pregnant because of your boyfriend, right?

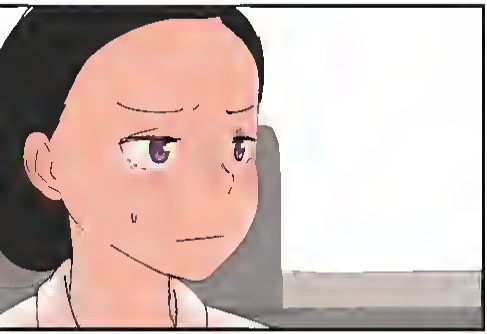


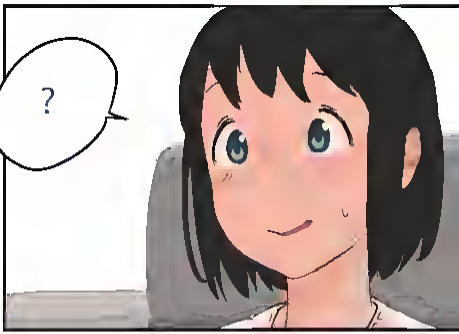
Yes.

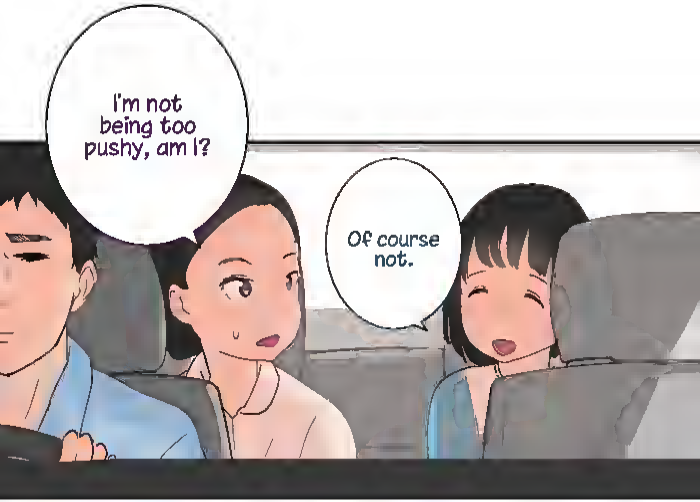


Did you plan for it to happen like it did?

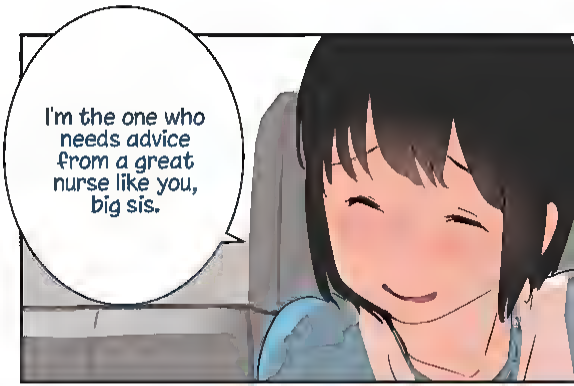
No.
It was on accident.
And do your parents know you're pregnant?
Umm... not exactly.



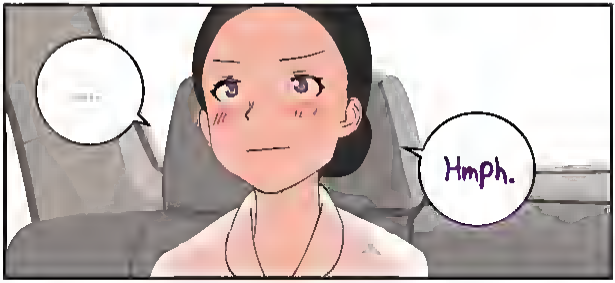




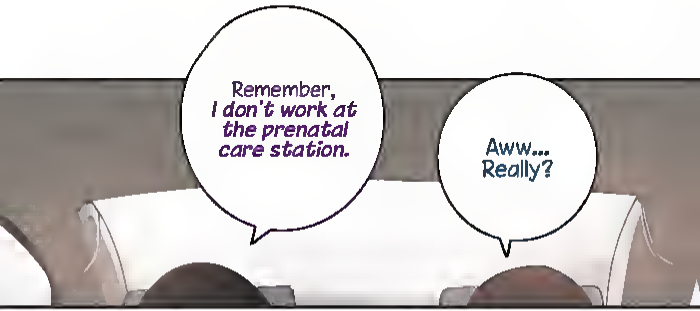
I'm not being too pushy, am I?
Of course not.



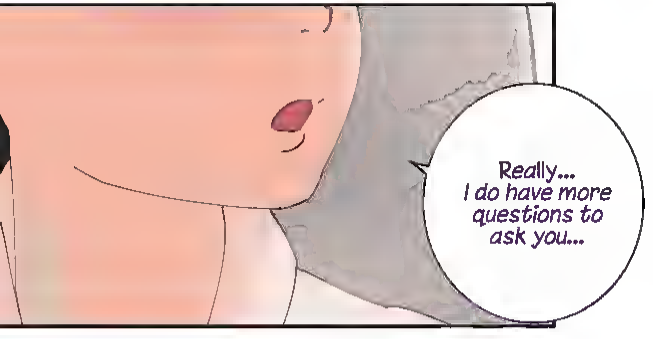
I'm the one who needs advice from a great nurse like you, big sis.



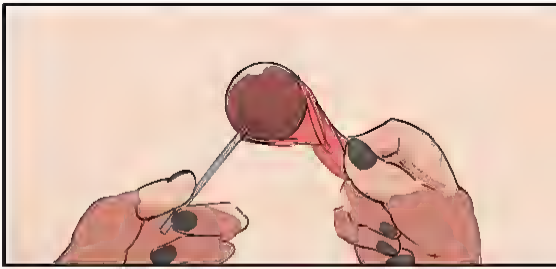
Hmph.

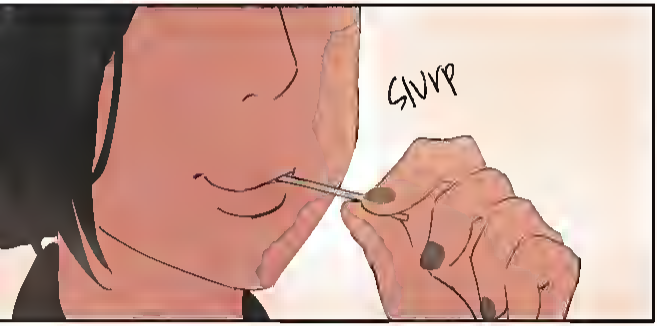


Remember,
I don't work at the prenatal care station.
Aww... Really?



Really...
I do have more questions to ask you...





SIUUP

♪
I hope she's hungry.
I bought a lot for tonight.
